In the Consolidated Matters of:

GREENFIELD UNION SCHOOL  
DISTRICT-BAKERSFIELD,

v.

PARENT ON BEHALF OF STUDENT.

OAH Case No. 2015060090

PARENT ON BEHALF OF STUDENT

OAH Case No. 2015061203

v.

GREENFIELD UNION SCHOOL DISTRICT-  
BAKERSFIELD,

ORDER GRANTING MOTION TO  
CONSOLIDATE

On May 28, 2015, Greenfield Union School District-Bakersfield filed a Request for Due Process Hearing (complaint) in OAH Case No. 2015060090 (District's Case), naming Student. On June 5, 2015, District cancelled the mediation set for June 11, 2015, in District's Case due to District's unavailability on that date, and mediation has not yet been rescheduled in District's Case. On June 17, 2015, OAH continued the hearing in District's Case to August 18-20, 2015, and the prehearing conference to August 7, 2015.

On June 22, 2015, Student filed a complaint in OAH Case No. 2015061203 (Student's Case), naming District.

On June 23, 2015, Student filed a Motion to Consolidate Student's Case with District's Case. Student's Motion did not express any preferences with regard to scheduling.

On June 29, 2015, District filed notice that it did not object to Student's motion to consolidate, and requested that the consolidated matters be set for the dates set in District's Case.

## Consolidation:

Although no statute or regulation specifically provides a standard to be applied in deciding a motion to consolidate special education cases, OAH will generally consolidate matters that involve: a common question of law and/or fact; the same parties; and when consolidation of the matters furthers the interests of judicial economy by saving time or preventing inconsistent rulings. (See Gov. Code, § 11507.3, subd. (a) [administrative proceedings may be consolidated if they involve a common question of law or fact]; Code of Civ. Proc., § 1048, subd. (a) [same applies to civil cases].)

Here, Student's Case and District's Case involve the same parties and common questions of law or fact. Specifically, District seeks a determination that it properly conducted speech and language and nursing assessments of Student that were reviewed at Student's individualized education program team meetings in March 2015, and that Student therefore is not entitled to independent educational evaluations in those areas at District's expense. Student contends that, in conducting its assessments and developing Student's March 2015 IEP's, District committed procedural and substantive violations of the Individuals with Disabilities Education Act, its regulations, and California statutes and regulations intended to implement it (20 U.S.C. § 1400 et. seq.; 34 C.F.R. § 300.1 (2006) et seq.; Ed. Code, § 56000, et seq.; Cal. Code. Regs., tit. 5, § 3000 et seq.) that denied Student a free appropriate public education.

The above issues will involve substantially the same facts, witnesses and documents, and consolidation furthers the interests of judicial economy by avoiding two hearings between the parties in which they would present the same evidence. Accordingly, consolidation is granted.
